Rare Solar Eclipse To Be Seen in Stuttgart

There will be a solar eclipse over Europe Aug. 11 from 11:13 a.m. to 1:56 p.m. The eclipse over Stuttgart will be 100 percent, which makes this area one of the best places to view the event. A solar eclipse occurs when the moon moves between the sun and earth, blocking it to viewers on earth. The next 100 percent eclipse here will not occur for about 135 years.

Special eye protection **MUST** be used in order to view the eclipse. Regular sunglasses are not adequate. Serious and permanent vision loss can result if proper eye protection is not worn. Special eclipse glasses are available at German optical and photo shops and AAFES facilities. For more information call 430-4332/civ. 0711-680-4332 or see the Aug. 2 Citizen Newspaper edition.

(Special Note: Local officials caution drivers traveling Autobahn 8 on Aug. 11 from noon to 1 p.m. to expect possible traffic flow problems and delays due to the eclipse.)

Product Recalls

Hair Dryers-Pacific LA is voluntarily recalling more than 5,100 *portable hairdryers*. The hairdryers are not equipped with ground fault circuit interrupters to cut off electrical current in case of contact with water, presenting shock and electrocution hazards. No incidents or injuries have been reported. The recalled hairdryers are both standard and mini or travel hairdryers. They come in various colors and models. Brand names on some of the hairdryers are "Logix" and "TraVeller's." Consumers should access the company's Web site, (www.pacific-la.com), for next steps.

Gymboree Corp. is voluntarily recalling about 7,000 *toddler boys' five-pocket denim jeans*. The waist snap on the jeans can come off, posing a choking hazard to young children. Gymboree has received one report of the snap coming off, but there have been no reports of injuries. A red and blue label on the jeans reads, "Gymsport" and "Made in Mexico." Call Gymboree at 800-558-9885 for details.

Bush Industries Inc. is recalling about 100,000 television carts for repair after two reports of it tipping over, resulting in one minor injury. The television carts are laminated wood in black (model 5414) or brown (model 5014). There is no identifying information on the cart, but the Bush name and the model number are on the instruction booklet. For more information go to the Bush Web site (www.bushfurniture.com).

SERVICES

Child Development Services will have re-registration Aug. 9 through Sept. 30 for children in Child Development Centers, Family Child Care and School Age Services. To make an appointment call 430-7480/civ. 0711-680-7480.

New Check System at AAFES

AAFES Europe has now implemented a new check verification system, combining the Defense Eligibility Enrollment Reporting System and the databases of AAFES, NEXCOM and the Marine Corps Exchange to more accurately verify the social security number of check writers. AAFES officials say the new system will dramatically reduce the possibility of check fraud and ensure more of AAFES earnings are protected for MWR programs. AAFES officials also say that for most customers, the new system will be transparent. If a customer has not enrolled in DEERS and is not in one of the other exchange databases, he can be added to the CCD by filling in a short form at the register.

Legal Assistance Closes for Move

Because of the move from Kelley to Patch barracks, both Legal Assistance and Claims offices will be closed Aug. 9 through 13. Assistance will be provided only on an emergency basis by calling 421-2787/civ. 0711-729-2787. Orthodontic Consultant Visits Clinic

Dr. King, the orthodontic consultant to the Stuttgart Dental Clinic, will be doing screening exams Aug. 30 through Sept. 2. The following guidelines will apply to anyone interested in having their child seen for a screening: The child must be a family member of an active-duty service member; 10 to 18 years of age; live in the area at least through the upcoming school year; and have a record in the dental clinic prior to the screening. In order to schedule an appointment, parents must stop by the dental clinic in person during working hours, Mondays through Fridays 8 a.m. to 4 p.m.

Special Note: Appointments are for screenings only and do not guarantee that any child will receive orthodontic care. Once all children are screened the orthodontic team will determine which children qualify for treatment, based on factors such as severity of the case and availability of resources. If a case is started and the family should leave before completion of the case, then further treatment will most likely be at the expense of the family. Those with questions should call the dental clinic at 430-8626/civ. 0711-680-8626.
